Mission

Global Mamas enhances the international marketplace with unique, high quality, African-made apparel, and at the same time provides sustainable livelihoods for women in Africa.

APPROACH

- Ensures that each woman-owned business in the network meets the high quality standards of international consumers.
- Enables the economic independence of women in Africa by promoting their traditional skills in producing handmade batik textiles and recycled glass beads.
- Helps African women establish export markets and manage their growing businesses through innovative business strategies.

SUPPORTING FAIR TRADE PRACTICES

- Global Mamas ensures women are paid a living wage enabling them to truly improve their standard of living.
- For the past five years 40% of annual revenue was paid each year in wages to the women in the network.
- Women are paid upfront for completed products and receive financial assistance through raw materials revolving loan fund.
- Recognized by FTF and IFAT for practicing fair trade principles.

HANDCRAFTING

All Global Mamas' products are handcrafted, making each product slightly unique while maintaining the highest quality.

SHARE OUR STORY

Each item comes with a tag that describes the organization and is signed by the artisan. If interested, we can provide you with signage and other display information to help you share our story with your customers.

WOMEN. A GOOD INVESTMENT

When presented with economic opportunities, each Global Mama carefully invests her proceeds to ensure the advancement of her business, her employees and her family.

TRUNK SCRUB SHEA SOAP

Trunk Scrub Shea Soap is naturally moisturizing and refreshing. Use this soap to rejuvenate your skin. It's a sudsy experience you'll never forget. Light scent that still reveals the natural nutty smell of shea butter. Handmade in Ghana. Plastic packaging made from 100% recycled polyethylene plastic from Ghana.
